

Dr Bukhalo; We, Salute, Palatine Hill Golf Association and our needy veterans want to thank you and the whole gang from Arlington Dermatology for your support and generosity. You purchasing a foursome, hole sponsor and supplying all those wonderful goodie bags for our outing shows that Arlington Dermatology is number one in compassion. Your foursome played right behind me and I made sure they put on their sunblock as I do not want them showing up at work on Tuesday with a sunburn at Arlington. Everybody behaved and all had a good time. Your support helped us raise \$30,000 for our veterans! A portion of the monies is earmarked for a U. S. Marine parachutists who chute did not open in time and he had a horrible landing which resulted in paralysis. Salute will provide a special lift that will give this young Marine some sort of life with his family. From the bottom of our hearts, we salute you!

Bill Crowley
